**Subject:** Re: Camp Lejeune Water Litigation v. United States of America -- Notice of Opting Out Per CMO 2

Based on the recent filings regarding the “right to a jury trial” being in question and other concerns regarding the legitimacy of the discovery/bellwether selection process, we would like to opt all of these cases back in for Track 1 consideration to the extent they otherwise qualify.

Good morning everyone. Just to clarify, we are only opting these 56 cases out from the initial round of Track 1 discovery. All of the below cases can be considered in future Track 1 discovery and bellwether rounds as well as for the initial round of Track 2 and 3 (unless later opted out). Thank you.

In addition to the cases in my prior email, we are also opting out these 2 cases from Track 1 Discovery.

1. Arthur Lovell
2. Fred Newell

Lastly, to clarify from my previous email, the case “James Hines” is referring to *Richard Jarvis Hines v. United States of America*, Case No. 7:23-cv-01260-BO.
